

Dear Student:

Your math course at Southeast Community college is being delivered in MyMathLab through a platform called MyLabsPlus. An access code is required to register for this material. You can obtain a replacement code and not be required to pay for access if you meet the one of the following requirements.

- **You have taken your course and used MyMathLab in a previous quarter at Southeast and are retaking the same course**
- **You are moving from Beginning (Math 0950) to Intermediate (Math 1100) Algebra**
- **You are moving from College Algebra (Math 1150) to Trigonometry (Math 1200)**

If you meet one of the above requirements, please follow the steps below to obtain a new code required to access your course in MyLabsPlus. If not, please use the access code that came with your text from the bookstore or purchase access online.

### **Steps to obtain a code for MyLabsPlus**

Send an email to [Eric.Olson@Pearson.com](mailto:Eric.Olson@Pearson.com) with "Southeast Math" in the subject line and the following information in the body of the message:

- You MyMathLab Username
- The course you were in previously

- The course you are in now

After confirming your previous MyMathLab subscription, a new code will be sent (within one business day) to you for registration into your new course.
